

Hawkes Bay Regional Council Dairy Discharge Compliance Grades 2006/07

Environmental Conditions: set standards/performance limits, or mitigates an environmental impact.

ie placement of disposal field, watertake rates and maximum discharge volumes, discharge or receiving water contaminant limits.

Technical conditions: set out technical requirements that allows a consent holder to demonstrate

or measure that they meet the environmental performance required by a resource consent or help specify the activity authorised.

ie sampling effluent, recording discharge volumes, submitting data. Providing reports.

Grade 1 Compliance

Grade 2 Minor non-compliance

Grade 3 Moderate non-compliance

Grade 4 Significant non-compliance

Grade 5 Non-compliance

NA = no compliance visit undertaken (Council policy is for Table 3 dairies that have a proven

history of full compliance, get visited every second year).
